SADTU North West media statement on the MTT Report
16 May 2016
The SADTU North West Provincial Working Committee in its meeting, held on the 16 May 2016 noted with a debilitating discontent, the conduct by the Ministerial Task Team in collaboration with media on the alleged Cash- For - Post myth.

The MTT report - a deliberate trial through the court of public opinion
16 May 2016
SADTU has noted that once again the Ministerial Task Team on the "cash for jobs scandal" has been leaked to the media even before the process has been completed. This is despite the fact that the Unions and other stakeholders were given a coded report for tracking purposes and it was made clear that it was not meant for public consumption until all the procedural steps had been undertaken.

SADTU says the DA has no respect for the law, human rights and black leaders
08 May 2016
The South African Democratic Teachers Union has always avoided engaging in sparring matches with political parties and has therefore always shunned from responding to comments made by political parties against SADTU. However it appears that SADTU's decision to give respect to all political parties including those it fundamentally disagrees with, is interpreted as a license by the Democratic Alliance to take out its political frustrations on SADTU and its members.
